Herbicide notification and update.

During the week of 05-03-10 we have completed our shoulder program on Highways 99 North and the inside shoulders of I-5 and I-105. On 05-04-10 we completed 126 East to Mile point 52, 05-05-10 126 West from Eugene to Mapleton and 05-06-10 we completed 126 West to Florence and Highway 58 from Mile point 0 to 19.2.

Starting the week of 05-10-10 Monday we be working on Highway 99 South, 05-11-10 North Territorial from M.P. 0 to Elmira, 05-12-10 Hwy 101 from M.P. 168.5 to M.P. 198.5, 05-13-10 South Territorial from Elmira to M.P. 42.

During the week of 05-17-10 we will be working on I 5, Beltline, and I 105 ramps inside and outside and secondary roads such as Springfield - Creswell Hwy and frontage roads, finishing our shoulder spray program.

The herbicide application schedule is tentative and is subject to change at any time. For daily information call the ODOT Herbicide Application Information Line 1-888 996-8080
