Dear Ms. Arkin:

This letter responds to your Freedom of Information Act (FOIA) request dated October 26, 2010, in which you requested all the public comments related to the Draft Environment Impact Statement (DEIS) for Vegetation Treatments Using Herbicides on Bureau of Land Management (BLM) lands in Oregon and all public comments submitted after the DEIS but before the record of decision (ROD) was published.

Enclosed is a compact disc (CD) with the second and final batch of documents responsive to your request. The CD contains public comments related to the DEIS for Vegetation Treatments Using Herbicides on BLM lands in Oregon received from March 24, 2010, until the publication of the ROD.

No fee is charged in responding to your request as the cost was less than the \$30 threshold limit established by the Department of the Interior for fee collection under the FOIA (43 CFR 2.18(a)).

If you have any questions concerning this response, please contact Tamara Yingling, Oregon/Washington FOIA Specialist, at (503) 808-6450, by fax at (503) 808-6308, or e-mail to OR_FOIA@blm.gov.

Sincerely,

for Stephanie Adams
