COMPANY NAME ODF Western Lane

FAX NO. 935-0731

MESSAGE FROM Mike Tucker

In accordance with OAR 629-605-0150 (9) I am writing to notify you of a change of herbicide application rate for units permitted by notification number 2008-781-50208: In this case we are electing not to use Atrazine 4L and will instead apply the previously notified Velpar DF at a (higher) 2 pounds per acre rate.
