Timber Sale: Glenbrook Sec 11 Spray 2013

Attached is the processed information from the Notification of Operation/Application for Permit signed by Shane Sutton representing the Land Owner, and received by Department of Forestry on April 9, 2013. Please review this information and retain for future reference.

Notices and Permits

Notice is given to the State Forester that an operation will be conducted on the lands described herein.

A permit to use fire or operate power driven machinery is issued for the land described herein.

SF Comments: Applicant Remarks: I am planning a conifer release spray on the subject unit. As the map shows, there are no creeks, ponds, or streams on the property. Application will be made with a helicopter, and will take place during dry weather, with little or no wind. Products to be applied may include Garlon, Imazapyr, Velpar, and Glyphosate. All products will be applied in accordance with the label, and in compliance with the Oregon Forest Practices Act. No products will be handled, mixed, or loaded within 100' of any body of water. Please advise if further written plan is required.
