### **Stewardship Forester Formal Comments**

Comment from: David Kjosness 12/17/2014

Per e-mailed request from Steve Cafferata on 12/16/14, this notification is continued into 2015 and is now a 2015 notification.

Comment from: Dan Menk 1/5/2015

This is regarding your Statutory Written Plan required by :

- ORS 527. 670(3)(a) and OAR 629-605-0170(1)(a) for an operation within 100 feet of a Type F or Type D stream.

After reviewing your written plan, I offer you the following comments.

- Fully implementing this written plan is likely to achieve the resource protection standards. This operation will be evaluated on the basis of how well required practices are applied and how well required resource protection is achieved.

**Notice to Landowner(s)**

Reforestation may be required by the landowner if timber harvesting is part of the proposed operations.

On-site inspections may be conducted by Oregon Department of Forestry employees to ensure compliance with all laws and rules governing fire protection and forest practices on private land.

Land use conversion to non-forest use involves regulations administered by other state and local governments, which may apply to the future use or development of this site.

**Notice to Operator(s)**

If you are conducting timber harvesting or road construction within 100 feet of overhead utility lines contact the local utility in accordance with ORS 757.805 - Oregon's Overhead Safety Act and OAR 437-007-0230 - Power Line Safeguards. Identification tags are located on each pole.

Call the Oregon Utility Notification Center at 811 at least 2 business days before starting timber harvesting, road construction, or any other activities involving excavation that may affect an underground utility line. The Center will coordinate with the appropriate utility companies to locate underground utility lines that may be affected by your activities.

**LEGAL NOTICE**

**The following section provides legal notification of the requirement to submit a written plan before certain portions of this Operation may begin.**

**Statutory Written Plan**

A Statutory Written Plan may be required before operation activities begin near the protected resources listed in the following Operation information page(s) or otherwise described to you by the Stewardship Forester, OAR 629-605-0170.

Report generated on 2/10/2015 by Oregon Department of Forestry  
Forest Activity Electronic Reporting and Notification System (FERNS)

The Statutory Written Plan must describe in detail how the resource(s) will be protected during the operation. There is a waiting period for Statutory Written Plans that is separate from the notification waiting period. Contact the Stewardship Forester listed above for more information on Written Plans and waiting periods.

A portion or all of your operation(s) may be eligible for a waiver of the Statutory Written Plan requirement. Use the Resource Description information provided on the following Operation page(s) in conjunction with Technical Note #10 to determine your eligibility. Go to the following link or contact your Stewardship Forester for more information:
