ODOT District 5 will start herbicide application to highway shoulders the week of 04-09-07 during the day time. The application will be on Highway 99 North, I-5 outside shoulders, I-105 and Beltline. The following weeks the crew will go to night shift to apply herbicide. The second week, ramps and inside shoulders on I-5 and I-105/126E. The third week they will plan to apply to Highway 58, Highway 99 South, Cloverdale, Parkway and Jasper Road. The fourth week will be on the McKenzie Highway and then move to 126W. The fifth and sixth weeks will be 126W, 36, Territorial and 101

We plan to do the highways in that order.

The herbicide application schedule is tentative and is subject to change at any time. For daily information call 1 888 996-8080 (ODOT Toll Free Herbicide Application Phone System)
