Part 1: Protected Resources

Large, Medium, and Small Fish and Non-Fish streams located on Freres Lands in Eastern Lane County along with any other water within the operations area.

Part 2: Operations

The herbicides will be applied using a ground-based, truck-mounted spray rig and limited to the roadside right-of-ways. The streams will be buffered with a ten foot no spray strip along both sides of the water, marked with flagging prior to operations commencing. The herbicides used will include glyphosates, Garlon 4, LV-6, Escort, and surfactants; all will be applied at label rates per acre. The carrier will be water.

Part 3: Practices:

All label limitations and restrictions will be followed. No chemical mixing or loading will occur within 100 feet of a Type F stream.
