

State of Oregon  
Department of Forestry - Department of Revenue  
Notification Number: 2011-781-00393  
Timber Sale: 2011 Road Maintenance

Attached is the processed information from the Notification of Operation/Application for Permit signed by Ole Buch representing the Land Owner, and received by Department of Forestry on May 19, 2011. Please review this information and retain for future reference.

**Notices and Permits**

Notice is given to the State Forester that an operation will be conducted on the lands described herein.

A permit to use fire or operate power driven machinery is issued for the land described herein.

**SF Comments:** Applicant Remarks: Herbicide chemicals include Element 4 and MSO. There will be no operations within 100' of any Type F, Type D, or Significant Wetland. All live streams will be afforded a 10' or greater buffer. The "other" activity code shown on page 2 applies to standard road maintenance work including: ditch cleaning, mechanical brush removal, and minor stump removal. This normally does not require notification for forest practices purposes, however, it does require a PDM permit.

**LEGAL NOTICE**

The following section provides legal notification of the requirement to submit a written plan before certain portions of this Operation may begin. The requirements are indicated below:

Based on information provided by the applicant, no Written Plans were required at the time this notice was sent. Written Plans may be required at a future date if new protected resources or other information is discovered.

**Notification 15 Day Waiting Period:**

This Operation is subject to the 15 day Waiting Period.
