Attached is the processed information from the Notification of Operation/Application for Permit signed by Ole Buch representing the Land Owner, and received by Department of Forestry on May 15, 2012. Please review this information and retain for future reference.

#### Notices and Permits

Notice is given to the State Forester that an operation will be conducted on the lands described herein.

A permit to use fire or operate power driven machinery is issued for the land described herein.

**SF Comments: Applicant Remarks:** This Notification is for a county wide herbicide application on forestland managed by the Oregon Department of Forestry. This ground-based (Roadside, ATV mounted sprayer, backpack) herbicide application is necessary to control and/or eradicate noxious weeds such as false-brome and scotch broom. The treatment will focus mostly on areas adjacent to roads, landings, and unauthorized ATV trails. Herbicide chemicals include Foresters, Element 4, Element 3A, and Oust XP; and surfactants include Agri-Dex. All streams, including Type F, Type D and Type N, will be afforded a 10' or greater buffer.
