Attached is the processed information from the Notification of Operation/Application for Permit signed by Michael S. Williams representing the Land Owner, and received by Department of Forestry on May 27, 2014. Please review this information and retain for future reference.

#### Notices and Permits

Notice is given to the State Forester that an operation will be conducted on the lands described herein.

A permit to use fire or operate power driven machinery is issued for the land described herein.

**SF Comments:** Mapped stream type designation is based upon ODF's stream layer, as well as ODF's Fish Modeled Habitat analysis. See Written Plan for details. Written Plan received 5-27-14. Follow directions as per the manufacturer(s) label.

#### LEGAL NOTICE:

The following section provides legal notification of the requirement to submit a written plan before certain portions of this Operation may begin. The requirements are indicated below:

A statutory Written Plan is required before operation activities begin near the protected resource(s) listed in the following Unit Information Page(s) or otherwise described to you by the Stewardship Forester (see OAR 629-605-0170(1)).

The Written Plan must describe in detail how the resource(s) will be protected during the operation. There is a waiting period for written plans that is separate from the notification waiting period. Contact the Stewardship Forester shown on the following Unit Information Page(s) for more information on Written Plans and waiting periods.

A portion or all of your operation may be eligible for a waiver of the statutory written plan requirement. Use the 'Resource Description' information provided on the following unit page(s) in conjunction with Technical Note #10 to determine your eligibility. Go to the following link or contact your stewardship forester for more information:
