Re: Written Plan

Dear Mr. Hall:

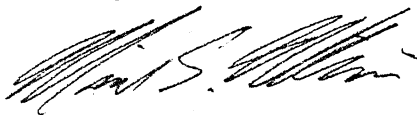

In accordance with the administrative rules of the Oregon Forest Practices Act, this letter constitutes the written plan for operations near the protected resource(s) identified below:

Operation Name/Activity: "Rice Creek Roadside Spray - 3" – Pressurized/Ground Application
Notification Number: Not Yet Assigned
Legal Location: T.18S R.10W Sec. 14
Protected Resource(s): Rice Creek (Med type F) and Hadsall Creek (Lg type F)

In an effort to maintain existing roads and control noxious weeds, Rosboro intends to spray brush along the road right-of-way segment identified on the attached map. This will be a ground-based operation from a pressurized tank. Application will stay at least 10 feet from all waters. Chemicals will be applied in accordance with respective product labels and will not be stored, mixed or batched within 100 feet of the disclosed protected resources.

The contents of this written plan are expected to comply with the requirements for the operation adjacent to the disclosed protected resources, and the protection measures described herein are believed to achieve the objectives of the Forest Practices Act. Please let me know if you have additional questions or concerns.

Sincerely,

Michael S. Williams
Resource Forester
