Springfield, OR 97478

**Re: Written Plan**

Dear Stewardship Forester:

In accordance with the administrative rules of the Oregon Forest Practices Act, this letter constitutes the written plan for operations near the protected resource(s) identified below:

**Operation Name/Activity:** "Mati Final H&S" – Manual Application  
**Notification Number:** Not Yet Assigned  
**Legal Location:** T.17S R.4E Sec. 5  
**Protected Resource(s):** Mati Creek (Sm type F)

In an effort to control competing vegetation and promote conifer plantation growth, Rosboro intends to treat various species (namely big leaf maple) within the area shown on the attached map. This will be a ground-based "hack and squirt" operation.

Treatment will stay outside of the overstory retention area associated with the Mati Creek RMA. Chemicals will be applied in accordance with respective product labels and will not be stored, mixed or batched within 100 feet of the noted water.

The contents of this written plan are expected to comply with the requirements for the operation adjacent to the disclosed protected resource, and the protection measures described herein are believed to achieve the objectives of the Forest Practices Act. Please let me know if you have additional questions or concerns.

Sincerely,

Michael S. Williams  
Resource Forester

**Ownership Boundary**

**Operation Area**

**Roads**

- Mainline
- Rocked
- Dirt

**Streams**

- Large
- Medium
- Small
- Fish Highlight
