Fire Contact: (541) 954-5805 - Mitch Morrell

Signed by: Timothy K. Gurton for Land Owner

Notification Comments: The intent of this operation is to convert the land to agricultural use. The harvest will most likely reduce the existing basal area below the required 80 square feet for forestland tax exemption. The landowner has talked to Lane County land use officials and is aware of the property tax implications. The 5 acre area will retain hardwood species as well as a significant number of large conifers. See attached aerial photo and tax lot maps. A waiver is requested.
