Notification Comments: Two trees died during the last couple of years and were in danger of falling on existing power lines that supply power to my property plus two additional houses. Lane Electric viewed the situation and determined that both trees needed to be removed to protect their power lines. Both trees were professionally cut down by Lane Electric and are laying on the subject property (see attached pictures). Goshen Forest Products will accept the logs for chipping. The logs have been identified as "White Fir". The logs will be transported to Goshen Forest via a self loading log truck. Our estimate is that we might be transporting 8 - 10 tons of logs to the mill.

Unit 1 of 1 Start: **11/07/11** End: **11/07/11**
