Re: Written Plan

Dear Stewardship Forester:

In accordance with the administrative rules of the Oregon Forest Practices Act, this letter constitutes the written plan for operations near the protected resource(s) identified below:

Operation Name/Activity: "Thayer Spring Release" – Manual Application
Notification Number: Not Yet Assigned
Legal Location: T.16S R.5W Sec. 29
Protected Resource(s): Squaw Creek (Small type F)

In an effort to promote conifer plantation dominance, competing grass/herbs will be treated. Said treatment will get no closer than 10 feet of the high water mark of the protected resource.

Chemicals will be applied in accordance with respective product labels and will not be stored, mixed or batched within 100 feet of the protected resource.

The contents of this written plan are expected to comply with the requirements for the operation adjacent to the disclosed protected resource, and the protection measures described herein are believed to achieve the objectives of the Forest Practices Act. Please let me know if you have additional questions or concerns.

Sincerely,

A handwritten signature in blue ink, appearing to read "Michael S. Williams".
