**Notification of herbicide applications**

**Because of heavy rains last week we were unable to make any shoulder applications in our district. So this week we plan to get started on 4-12-10 in the Eugene area maintenance section on I-5 from county line to county line, Beltline, I-105 and 99 North on out side shoulders and ramps.**

**Special note: Weather, Equipment breakdowns and Availability of product, will determine the following of this schedule.**

**The herbicide application schedule is tentative and is subject to change at any time. For daily information call the ODOT Herbicide Application Information Line 1-888 996-8080.**
